SCIENCE CENTER STORE ORDER FORM

Welcome to the Science Center of Pinellas County! Please use this order form for your shopping, as there will not be time to visit the store during your field trip. Instructions for using this form are as follows:

- Review both sides of the order form with your child. Fill out the form completely with your child’s information and the items s/he wants.
- Place the completed order form and **exact cash payment or check** in an envelope or plastic bag.
- **Checks must be made out to The Science Center and include driver’s license number, student name, teacher, and school.**
- Your child’s teacher will collect the orders and bring them to the Science Center on the day of the field trip.
- **Florida sales tax is included in the item prices, but we gladly accept any contributions or donations!**
